Dear Anish George,

RE: VISA APPLICATION/WERC/ABT2P/CA057/019/CA

In receipt of your mail, you are requested to report at Whitecap Energy Resource Incorporation, Calgary office on the stated date and resumption date extension might be granted with good reasons.

For your Visa processing and approval, we had appointed a reliable Representative at the Embassy of Canada in New Delhi, India. We urge you to contact him through the below E-mail address for the commencement of your work Visa petition.

The Visa registration fees will be burden by you and as soon as your travelling papers are issue by the Embassy, Whitecap will reimburse the amount you spend in the course of obtaining your VISA as it is in line with our policy on International Employees.

Note; Mr. David John Colbert, who is our assigned affiliated agent will be responsible for the submission of your documents on your behalf for swift approval and he will mail you the list of documents needed from you to send to him via E-mail, do comply with his directive because we do not want the Embassy to deny you of Visa.

The Human Resource Management wants you to resume your Job within the specified date, failure will lead to the termination of your appointment.

Do send your duly signed scan copy of Contract Letter of Agreement, Appointment, International passport and One scan copy of your photo through the below E-mail.
