

When you complete the certification;
and invite new members to join!

The system will automatically review;
the first withdrawal of 2220rs; after
reaching your card; you can withdraw
money at will!

Before that; please do not withdraw
money at will; multiple withdrawals and
different amounts of money; it will
affect the detection of the system! !

Remember your words and deeds! !
I don't care about you; because it
makes no sense
When your account is banned; stop
asking me why?

Look at the faces of you idiots;
I am ashamed of having a team like
you! !

All reviews are completed by the
system!
Don't send me a bunch of nonsense!

People who don't know how to be
grateful; no one will do anything for
you! !

Everyone must add a new team member to complete the equipment rental; in order to activate your account! !

This is a request; this is not a discussion with you! !

Do not contact me privately to question the company's decision; the system will check if you are done!

Complete; I will take the initiative to contact; and help you arrange future withdrawal questions! ! !
